

K-LOVE serves many small communities throughout Arizona with the translators that allows our community to have a more diverse coverage than we have ever had. This community is very close to Mexico and there is very little English speaking programs available

in the AM or FM bands in a Christian format.

The loss of KLOVE would be detrimental to many people that rely on this station in providing inspirational programming on a daily basis and local community events calendar.

I think that KLOVE's service provides wholesome programming that is very hard to find on the FM band. It encourages good behavior and citizenship in the local community and nation.

Thank you for this opportunity to comment on current FM translator service.

Sincerely,
Larry Miller
